Message from Rachael Green

Acting Deputy Director General Community Services

Department of Communities

Hello everyone

Today I am excited to share with you Communities' COVID-19 Roadmap for easing restrictions – Practice, an important piece of work that the Expert Practice Team has spent a number of weeks putting together.

The Roadmap identifies how we transition our practice to respond to COVID-19 restrictions and will guide our practice as we move through the recovery phase. I'm sure you will agree that it is an impressive document that provides clear and concise guidance on our next steps. Thank you to the Expert Practice and Corporate Communications Teams.

And thank you everyone, for your continued efforts in your many fields of expertise.

Have a wonderful weekend.

Rachael Green
