# AUSTRALIAN GOVERNMENT DEPARTMENT OF HEALTH CORONAVIRUS WEBPAGE FOR PEOPLE WITH DISABILITY

The Australian Government Department of Health has launched a new webpage providing Coronavirus information for people with disability.

The webpage provides advice on how to protect yourself from Coronavirus and includes a range of services and support materials on Coronavirus for people with disability.

The Department of Health will continue to add resources as they are developed.

Please feel free to distribute the link to your networks.

**The Department of Communities acknowledges the traditional owners of country throughout Western Australia and their connection to land, waters and community. We pay our respects to them and their cultures, and to their elders past and present.**

The Department of Communities (Communities) formed on 1 July 2017 and is responsible for the delivery of child protection and family support, community grants, funding and initiatives, education and care regulation, disability services, housing and regional services reform. During the transition phase emails sent from the Housing Authority domain will be converted to the Communities email address. This message may contain privileged and confidential information and is intended for the exclusive use of the addressee(s). You must not disclose this communication to anyone without the prior consent of Communities. If you have received this email in error, please notify us by return mail, delete it from your system and destroy all copies. Communities has exercised care to avoid errors in the information contained in this email but does not warrant that it is error or omission free.
