

## LGBTI+ Peer Support Guide Launch

ConnectGroups invites Support Groups and organisations who provide support to the LGBTI+ community to join us at this event which will feature a panel discussion and the launch of an LGBTI+ Peer Support Guide.

The LGBTI+ Peer Support Guide aims to assist LGBTI+ groups and group coordinators to implement an evidence-based peer support program with minimal support. LGBTI+ is a collective term that refers to people who are lesbian, gay, bisexual, transgender and/or intersex, and attempts to include the many ways that people describe their distinct histories, experiences, and needs.

The LGBTI+ Peer Support Guide is designed to be used by peer support programs at any stage of their development.

All attendees will receive a free copy of the resource.
